All three beaches offer ample space to photograph and also for you to have a good gallop! Rhossili has amazing bridleways to add to your day out.

You can park on the beach at Ynyslas and Berrow, with options at Rhossili next to the Beach. Full details, directions and parking will be sent to you with your booking confirmation.

### **Discounted Private and Group Photo-shoots**

We offer up to 6 riders per group at a time for 30-45 mins, depending on the group size. Within your group, you will be photographed as individuals, pairs and your whole group if you wish. If you are an individual or a pair, you will be added to a group of 1 -6 riders, unless you specify otherwise. These discounted group shoots are priced at just £35 per rider. Digital files, prints and other products can be purchased afterwards online. Private commissioned shoots are also available.

### **WEATHER**

The Weather does have an effect on the tide as to how calm or rough the sea is, so please bear this in mind. Two days before your shoot, if extreme weather is forecast (heavy rain, high winds), we will rearrange this shoot at no extra cost.
